Annual Self-Assessment

For anything you hope to achieve, you need two things: a target and a way to measure progress. This tool, taken annually, will help you think about goals in your life in Christ, understand where you need to grow, and help you choose what steps to take in the next year to move forward in your relationship with God and growth in Christ.

As you go through this assessment, keep this in mind:

- Enter in with an attitude of prayer.
- Take your time to think and answer thoughtfully.
- Be honest. It does you no good to fake it.
- Be gracious. Don't be overly harsh, either.
- This is for you. You will not “turn it in” to anyone.
- You will only share the results with people of your choosing.
